A large number of farm wagons were in the city this morning and carried out cotton choppers in large numbers. It looked like real business to see them going out and was a sure sign that the fleecy staple will come rolling in this fall. Crop prospects were never more flattering before at this season of the year, and if seasons continue until harvest time "Old Brazos" will measure up results with any county in Grand Old Texas.

M'NEELEY-BROCKMAN.

At 5 o'clock last night at the Baptist parsonage, the pastor, Dr. M. E. Weaver officiating, Mr. Locke McNeeley and Miss Willie Mae Brockman, both of this city were quietly married. They left home presumably to go to church, but instead carried out their well laid plans already in progress to a happy consummation and were sitting quietly at the home of the brides parents when the family returned from church, and gently broke the news to them.

The wedding was a complete surprise to everybody, both relatives and friends, as they had taken none of them into their confidence.

The bride is a daughter of Mr. and Mrs. S. H. Brockman and is one of Bryan's sweetest girls. Refined, polished and of a gracious disposition, she won her way into the hearts of all who knew her. The groom is one of Bryan's sterling young men. He is an industrious young mechanic, honorable, energetic and of exemplary habits and character.

The Eagle joins their many friends in congratulations and best wishes.

THE STUART LECTURE.

From all indications a very large audience will hear Rev. George R. Stuart's lecture at the Methodist church tomorrow night. People from all parts of Brazos and adjoining counties are coming, and a record-breaking audience is assured.

Mr. Stuart will reach Bryan on the afternoon train from the South, and will be met at the train by a large committee, headed by all the pastors of the various churches of the city. The reception committee will escort him to the hotel, and will also set with him on the platform during the delivery of his lecture.

An effort is being made to get Mr. Stuart to stop off at College and speak in the afternoon, but it will hardly succeed. In all probability, the only deliverance between Houston and Mexia will be at Bryan.

OFF ON STATE TOUR.

The A. and M. College baseball team left yesterday on a tour of the state. While gone they will play the State University at Austin, Baylor University at Waco, and Austin College at Sherman, playing two games at each place. The team was accompanied by coach Merriam and Col. James Hayes Quarles. The boys were in high feather and expect to have six more notches on their stick when they return.

LEG BROKEN.

"Mr. G. L. Deaton had the misfortune of breaking his leg Tuesday morning. He was going out to milk his cows and his right leg suddenly gave way, causing him to fall upon his foot, breaking the bones between the ankle and knee."

The above clipping is taken from the Ledbetter correspondence in the Giddings News. Mr. Deaton was for many years a citizen of Bryan and his many friends here will be sorry to learn of the severe accident that has befallen him.

DANDRUFF

Cured in Two Weeks or Money Back.

In fact E. J. Jenkins, the druggist has a wonderfully efficient hair restorer called Parisian Sage which costs only 50 cents a bottle that is guaranteed to cure dandruff in two weeks or money back.

Parisian Sage is the discovery of one of the world's greatest scientists, who knowing the value of sage as a scalp cleaner and hair restorer, combined it with other ingredients in proper proportions, and the result is the most wonderful hair tonic in the world.

Parisian Sage is a most pleasant, daintily perfumed hair dressing, and besides curing dandruff, your druggist will return your money if it fails to stop falling hair or itching of the scalp.

It will make hair grow, and women weeks or money back.

Who desire soft, beautiful and luxuriant hair can have it in two weeks by using this famous, quick acting preparation. E. J. Jenkins sells it under a guarantee.

Don't let any druggist tell you he has something just as good as Parisian Sage because there isn't any hair restorer so good. The girl with the Auburn hair is on every package, and you get a much larger bottle of Parisian Sage for your 50 cents than you get of the ordinary.

"I have used various hair tonics and can say that Parisian Sage gave the hair a good, healthy, silky appearance, rid the head of dandruff, and keeps the scalp cool and clean. I recommend Parisian Sage as being fine for the hair and far ahead of any other tonic I ever used." Miss Emma Foss, 502 Adams Street, Owosso, Mich., December 9 1908.
